CAS DATALOGGERS

Visit CAS DataLoggers at Pittcon 2023
The World's Largest Lab Expo, March 18th-22nd in Philadelphia

CAS DataLoggers is proud to announce that we will be exhibiting along with TandD US, LLC at Pittcon 2023! Pittcon is the world's leading annual conference and exposition on laboratory science. Hosted in Philadelphia, PA at Pennsylvania Convention Center on March 18th-22nd, Pittcon 2023 will draw a large crowd of attendees from industry, academia and government from over 90 countries! This year, CAS DataLoggers Sales Manager Peter Martin is attending along with Steve Knuth of T&D, Japan's #1 manufacturer of temperature data loggers.

Come visit us at T&D Booth #3003 for a look at T&D's latest wireless technology, all designed to save your lab application time and cost. Thanks to T&D's free cloud storage service, you'll get instant access to your data! T&D will be featuring the TR7A Series which includes 3 models of temperature and temperature/humidity data loggers that offer both WiFi, LAN connection, and Bluetooth for direct connection to a smartphone.

Exhibit Dates: March 20, 2023 - March 22, 2023

Exhibit Hours: Monday, March 20, 9am – 5pm
Tuesday, March 21, 9am – 5pm
Wednesday, March 22, 9am – 3pm

Be the First to See Cutting-Edge Technology at Pittcon!

Hosted this year at Pennsylvania Convention Center, Pittcon showcases the latest lab technology, drawing more than 16,000 attendees. Visitors come from all over the world to check out the latest products, all aimed at reducing risk and lowering cost in the Laboratory, Food & Beverage, Pharma, Enviro, Healthcare industries.

Pittcon highlights solutions and networking opportunities for:

- Lab scientists & technicians
- Analytical chemists
- Lab managers
- And more!

CAS DataLoggers Sales Manager Pete Martin will be on hand at the T&D booth showing visitors how to automate lab monitoring using T&D Wireless Temperature data loggers. With wireless products, you can view data anytime from anywhere, including from your mobile device and PC!
