

# Pittcon®

Conference and Exposition

## VISIT CAS DATALOGGERS AT PITTCON 2024 THE WORLD'S LARGEST LAB EXPO, FEB 24TH-28TH IN SAN DIEGO

CAS DataLoggers is proud to announce that we will be exhibiting along with TandD US, LLC at [Pittcon 2024](#)! Pittcon is the world's leading annual conference and exposition on laboratory science. Hosted in San Diego, CA at San Diego Convention Center on February 24th-28th, Pittcon 2024 will be celebrating 75 years ! This year, CAS DataLoggers Sales Manager Peter Martin is attending along with Steve Knuth of T&D, Japan's #1 manufacturer of temperature data loggers.

Come visit us at T&D Booth #2542 for a look at [T&D's](#) latest wireless technology, all designed to save your lab application time and cost. Thanks to T&D's free cloud storage service, you'll get instant access to your data! T&D will be featuring the TR7A Series which includes 3 models of temperature and temperature/humidity data loggers that offer both WiFi, LAN connection, and Bluetooth for direct connection to a smartphone.

Exhibit Dates: February 24, 2023 - February 28, 2023

Exhibit Hours: Monday, February 26, 9am – 5pm  
Tuesday, February 27, 9am – 5pm  
Wednesday, February 28, 9am – 3pm

## BE THE FIRST TO SEE CUTTING-EDGE TECHNOLOGY AT PITTCON!

Hosted this year at the San Diego Convention Center, Pittcon showcases the latest lab technology, drawing more than 16,000 attendees. Visitors come from all over the world to check out the latest products, all aimed at reducing risk and lowering cost in the Laboratory, Food & Beverage, Pharma, Enviro, Healthcare industries.

Pittcon highlights solutions and networking opportunities for:

- Lab scientists & technicians
- Analytical chemists
- Lab managers
- And more!

CAS DataLoggers President Pete Martin will be on hand at the T&D booth showing visitors how to automate lab monitoring using T&D Wireless Temperature data loggers. With wireless products, you can view data anytime from anywhere, including from your mobile device and PC!
