

# NEW PRODUCT ANNOUNCEMENT

## NEW MSR DATA LOGGERS FROM MSR ELECTRONICS GMBH

CAS DataLoggers is pleased to announce that we have partnered with Swiss company MSR Electronics GmbH to bring the MSR family of universal data loggers to our customers. Designed to meet the highest standards of precision and reliability, MSR data loggers are compact with large memory to handle a wide variety of measurement tasks such as measuring and recording shocks, vibration, temperature, humidity, pressure, or light.

### WHY CHOOSE MSR DATA LOGGERS?

- The ability to detect item damage during transport
- They provide conclusive evidence to expedite liability investigations
- They help optimize packaging and logistics processes.
- They have met the safety standards of Lufthansa Cargo and other major airlines, including Austrian, Swiss, Brussels Airlines, Japan Airlines, and ANA Cargo, maintaining their **“Air Cargo Approved”** rating.
- They reduce uncertainties and enhance peace of mind.

### MEET THE MSR DATA LOGGER FAMILY:

#### MSR175

Transportation data logger for monitoring shocks, jolts, and environmental conditions.

**MSR175plus with GPS Tracking**

Simultaneous shock detection and GPS tracking.

 <https://dataloggerinc.com/product/msr175plus/>

**MSR165**

Transpiration data logger for vibration, shocks, and jolts.

 <https://dataloggerinc.com/product/msr165/>

**MSR160**

Equipped with 4 analog inputs for connecting conventional sensors.

 <https://dataloggerinc.com/product/msr160/>

**MSR145**

Mini data logger for multiple measurements: temperature, humidity, air pressure, fluid pressure, light, and acceleration.

## POWERFUL, USER-FRIENDLY SOFTWARE

When you buy an MSR data logger, you'll get free PC software that includes four essential tools: MSR Setup, Reader, Online, and Viewer. These tools help you set up your data logger, download measurement data, and analyze the recorded information. If you need more advanced features, additional software options are available for each series.
