

NEW PRODUCT ANNOUNCEMENT

NEW T-STREAM™ DATA LOGGERS FROM HALVEON INC

CAS DataLoggers is pleased to announce that we have partnered with [Halveon Inc.](#), a Swiss company based in Oakville, Ontario, Canada. Halveon features their T-Stream™ family of data loggers—the next generation of temperature data loggers designed to accurately monitor a wide range of temperatures throughout the distribution chain, warehousing and the transport of vaccines, pharmaceuticals, fresh & frozen produce, and cut flowers and fresh plants.

WHY CHOOSE T-STREAM™?

- 1. Precision Monitoring:** Halveon's state-of-the-art sensors provide highly accurate temperature readings, guaranteeing compliance with regulatory standards and maintaining product integrity.
- 2. Comprehensive Coverage:** T-Stream™ integrates seamlessly across the entire distribution chain—from warehousing to transportation—offering reliability that logistics and supply chain professionals can depend on.
- 3. User-Friendly Interface:** The intuitive large LCD displays allow for easy access and real-time data analysis, enabling quick decision-making and prompt action. No external hardware is required to retrieve data reports from the Halveon loggers. Free software is included directly on the device – simply plug the logger into a USB port.
- 4. Quality Assurance:** Halveon data loggers are ISO validated and CE, CNAS, and [RoHS](#) certified. Additionally, all loggers come with a 6-point Certificate of Calibration and are approved by Emirates Sky Cargo and Air Canada Cargo.

The T-Stream™ family includes three exceptional models available in single-use or multi-use versions:

T-Stream™ LCD SU

- Up to 180 days of recording
- 2-year shelf life

T-Stream™ LCD MU

- Automatic PDF & CSV reports
- IP67 rating

T-Stream™ Real-Time RS

- 1-year shelf life
- Supports 3G network, global coverage

T-Stream™ Real-Time RM

- Full cold chain visibility via the cloud
- IP65 rating

T-Stream™ Dry Ice SU

- -90°C to 70°C Temperature Range, 0% to 100% RH Humidity Range
- Qualified for air transport use – RTCA/DO-160G compliance

T-Stream™ Dry Ice MU

- IP67 Rated – food-safe and waterproof packaging
- Unique button design prevents accidental stops during transit
