

# UPCOMING TRADE SHOWS FOR 2025

## AHR 2025: FEB 10-12, 2025 - ORLANDO, FL

The [AHR Expo](#) is the world's largest HVAC show, that brings together manufacturers & suppliers of all sizes & specialties to share ideas and showcase the future of HVACR technology. This year, AHR 2025 will be held from February 10 - 12, 2025 at Orange County Convention Center in Orlando, Florida. We will be exhibiting along with TandD, Japan's #1 manufacturer of temperature data loggers. Come visit our Booth #4380 to see our cutting-edge HVAC solutions for performance validation, energy audits, and more! T&D data loggers save labor and eliminate errors by automating temperature data collection and recording.

## PITTCON 2025: MAR 1-5, 2025 - BOSTON, MA

[Pittcon](#) is a conference and exposition on laboratory science, a venue for presenting the latest advances in analytical research and scientific instrumentation. This year, Pittcon 2025 will be held from March 1 - 5, 2025 at the Boston Convention & Exhibition Center in Boston, MA. We will be exhibiting along with T&D, Japan's leading-edge manufacturer of temperature data loggers. Stop by Booth #1844 for a look at T&D's latest wireless technology, all designed to save your lab application time and cost.

## IAFP 2025: JULY 27-30, CLEVELAND, OH

The [International Association for Food Protection \(IAFP\)](#) is the leading food safety conference, with information on current and emerging food safety issues and the latest science and innovative solutions to new and recurring problems. This year, IAFP 2025 will be held from July 27 - 30, 2025 at the Huntington Convention Center in Cleveland, Ohio. We will be exhibiting along with TandD, Japan's #1 manufacturer of temperature data loggers. Come visit our booth (number to be announced) to see the latest in food safety temperature monitoring solutions. T&D data loggers save labor and eliminate errors by automating food temperature data collection.

## WEFTEC 2025: SEPT 29-OCT 1, CHICAGO, IL

[WEFTEC](#) is a conference that brings together water professionals around the world and showcases the best in water quality education, leading experts, the latest technology and trends, and proven solutions. This year, WEFTEC 2025 will be held from September 29 - October 1, 2025 at the McCormick Place Convention Center in Chicago, Illinois. We will be exhibiting OdaLog gas loggers, the latest in H<sub>2</sub>S gas and odor monitoring technology. Stop by Booth #5701 to see how to automate [gas and odor monitoring](#) using OdaLog L2 and G20 data loggers.

## AUTOMOTIVE TESTING EXPO 2025: OCT 21-23, NOVI, MI

[Automotive Testing Expo](#) is a conference that brings together industry leaders, innovators, researchers, and professionals involved in automotive testing, validation, and quality assurance. This year, Auto Test Expo 2025 will be held from October 21 - 23, 2025 at the Suburban Collection Showplace in Novi, MI. We will be exhibiting along with Influx Technology, a leading manufacturer of next-generation vehicle

data logging solutions based in Bedford, UK. Visit our booth (number to be announced) for an introduction to the new, innovative Smart RexGen device—set to revolutionize how vehicle data is collected and optimized. Our team will be on hand to assist with your instrumentation and CAN data collection needs.
